- A culture of collaboration and inclusion
- Inspiring colleagues and approachable leaders
- Career development opportunities
- A deeply rooted commitment to responsible mining, health and safety and community engagement
- A competitive total compensation program
- A comprehensive benefits package including a retirement savings plan

About Coeur Mining:

Coeur Mining is a growing, all-North American precious metals producer with seven operations: the Las Chispas silver-gold mine and Palmarejo gold-silver complex in Mexico, the Rochester silver-gold mine in Nevada, the Kensington gold mine in Alaska, the Wharf gold mine in South Dakota, the Rainy River gold mine in Ontario, Canada, and the New Afton copper-gold mine in British Columbia, Canada. In addition, Coeur owns the Silvertip silver-zinc-lead exploration project in British Columbia.

Coeur offers a flexible, hybrid work model and a culture built on safety, collaboration, and real opportunities to develop your career for those who want to grow alongside a company that is doing the same.

Rainy River

Situated in beautiful northwestern Ontario, 65 km northwest of Fort Frances, the Rainy River mine is an open pit and underground, gold and silver producing, residential mine site.

The Rainy River mine, located adjacent to the Ontario/Minnesota border is 65 kilometers northwest of Fort Frances, Ontario and is situated half way between Winnipeg, Manitoba and Thunder Bay, Ontario. The area is home to more than 130 species of birds and large populations of moose, black bear and deer. If you enjoy outdoor activities including hunting, fishing, winter sports and lake country then this is an area you will love to live and work in.

Applicants who reside in Northwestern Ontario and have experience working in a cross-cultural environment, coupled with knowledge of the unique challenges and opportunities presented to those living in the Northwest Ontario, are assets. Hiring priority will be given to qualified applicants who are beneficiaries of the Impact Benefits Agreement (IBA) and to qualified applicants residing in the Northwest Ontario communities. (Indigenous) Members must clearly identify their status on the online job application and resume if they wish to receive priority consideration.

About The Role

Title: Mobile Maintenance Preventive Maintenance (PM) Technician

Schedule: 7 days on, 7 days off - 12 hour days

Position Reports To: Mobile Maintenance Supervisor

Role Summary

The role of the Preventative Maintenance Technician is to conduct preventative maintenance, troubleshoot and make repairs as required on machinery, buildings and equipment throughout the mine site to maintain their efficient and safe operation.

Key Responsibilities

- Follow preventative and predictive maintenance programs through appropriate application of lubrication to mobile equipment and process plant.
- Provide input into planning weekly and annual maintenance.
- Monitor and service fluid levels on equipment and machinery.
- Operate hydraulic tools, jacks, air tools and miscellaneous hand tools.
- Ensure preventative maintenance is carried out in a cost-effective manner.
- Troubleshoot and repair equipment, buildings and machinery as required.
- Ensure that all breakdowns are attended to immediately.
- Provide input into the development and updating of preventative maintenance systems, spare parts programs, maintenance practices and infrastructure issues.
- Other general maintenance activities to achieve high availability and productivity of mine equipment as well as mine buildings and infrastructure.
- Ensure work order discipline within SAP.

Qualifications

- Grade 12 diploma/GED preferred.
- Valid Drivers' License preferred.
- Applicable Trades Training is considered an asset.
- Minimum 2 years of related experience working in an industrial setting with heavy equipment and in process plant.
- Experience working on heavy industrial equipment performing lubrication functions.
- Ability to identify, analyze and resolve problems.
- Demonstrated leadership in safety is essential in this role. Strong drive to learn new skills.
- Willingness to take on progressively more responsibilities as they grow and develop with the company.

The anticipated salary for this position will be between \$80,000 to \$85,000.

**Note: this employment opportunity is based on an actual current vacancy, not just for future consideration.*

Why Coeur?

- Highly competitive base salary, and a quarterly incentive program.
- Extended Health & Dental Benefit.
- Short-term and long-term disability insurance benefit.
- Defined match contribution to group registered retirement savings account.

We thank all applicants for their interest but will only contact candidates selected to advance in the hiring process. Coeur Mining does not accept resumes from employment placement agencies, head-hunters or recruitment suppliers that are not in a formal contractual arrangement with the Company. Any resume or other information received from a supplier not approved by Coeur Mining will be considered unsolicited and will not be considered.

Inclusion, Equal Opportunity, Accessibility

Coeur Mining is an equal opportunity employer committed to diversity and inclusion. We are pleased to consider all qualified applicants for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, age, disability, protected veterans' status, Indigenous status or any other legally protected factors. Disability-related accommodations during the recruitment process are available upon request.
